SERVING OUR COMMUNITY SINCE 1969

December 1993

Dear Friend,

The pictures tell the story. All of these people and thousands of others have been helped over the past 24 years by the Ironbound Community Corporation.

Since 1969 the Community Corporation has played an important role in the lives of Ironbound people. Whether it has been by providing child care or senior citizen care, teaching English or feeding the homeless, fighting crime or fighting for a clean and toxic-free community, the Community Corporation has been at the service of the people of Ironbound to help make our community a better place to live. Additionally, our programs have helped to maintain the economic stability of Ironbound.

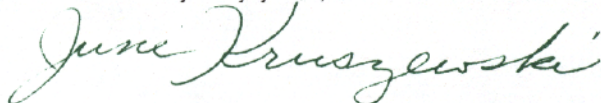

Now we are asking for your help so that we can continue serving Ironbound residents. Consider how your tax-deductible contribution can help people in your community:

- 86 year old Maria C. receives a nutritious meal every day through our Meals-on-Wheels Program, and so do nearly 100 other homebound senior citizens.
- Ten year old Tim J. played a musical instrument and visited the Museum of Art for the first time in his life through our Summer Arts Program. 60 other children also got this opportunity.
- Manny P. learned to read, write and speak English in our Adult Education Project. Now he, along with 150 other adults, are continuing their higher education with college courses at our Community Center on Lafayette Street.
- Ana D., a widow and mother of two children under the age of five, can work full time knowing her kids are safe, eating well and learning each day at our Children's Center on Elm Street. Another 100 families have this same security and peace of mind as they work to support themselves.
- Toxic wastes will finally be cleaned up at the Ironbound Stadium and a new indoor swimming pool built because of the work of our Toxic Wastes Committee - finally, more recreation facilities for our community!

This holiday season we're asking for your help. You can give the gift of community.

Please don't delay in responding. Your gift will be put right to work. We need it as soon as you can get it to us. Thanks.

Very truly yours,

June Kruszewski, President

P.S. You can use the enclosed envelope and form to send your gift. And please call us or drop us a note if you have any questions about our programs. Thanks again.
